THE SENIOR CLASS

FOREWORD

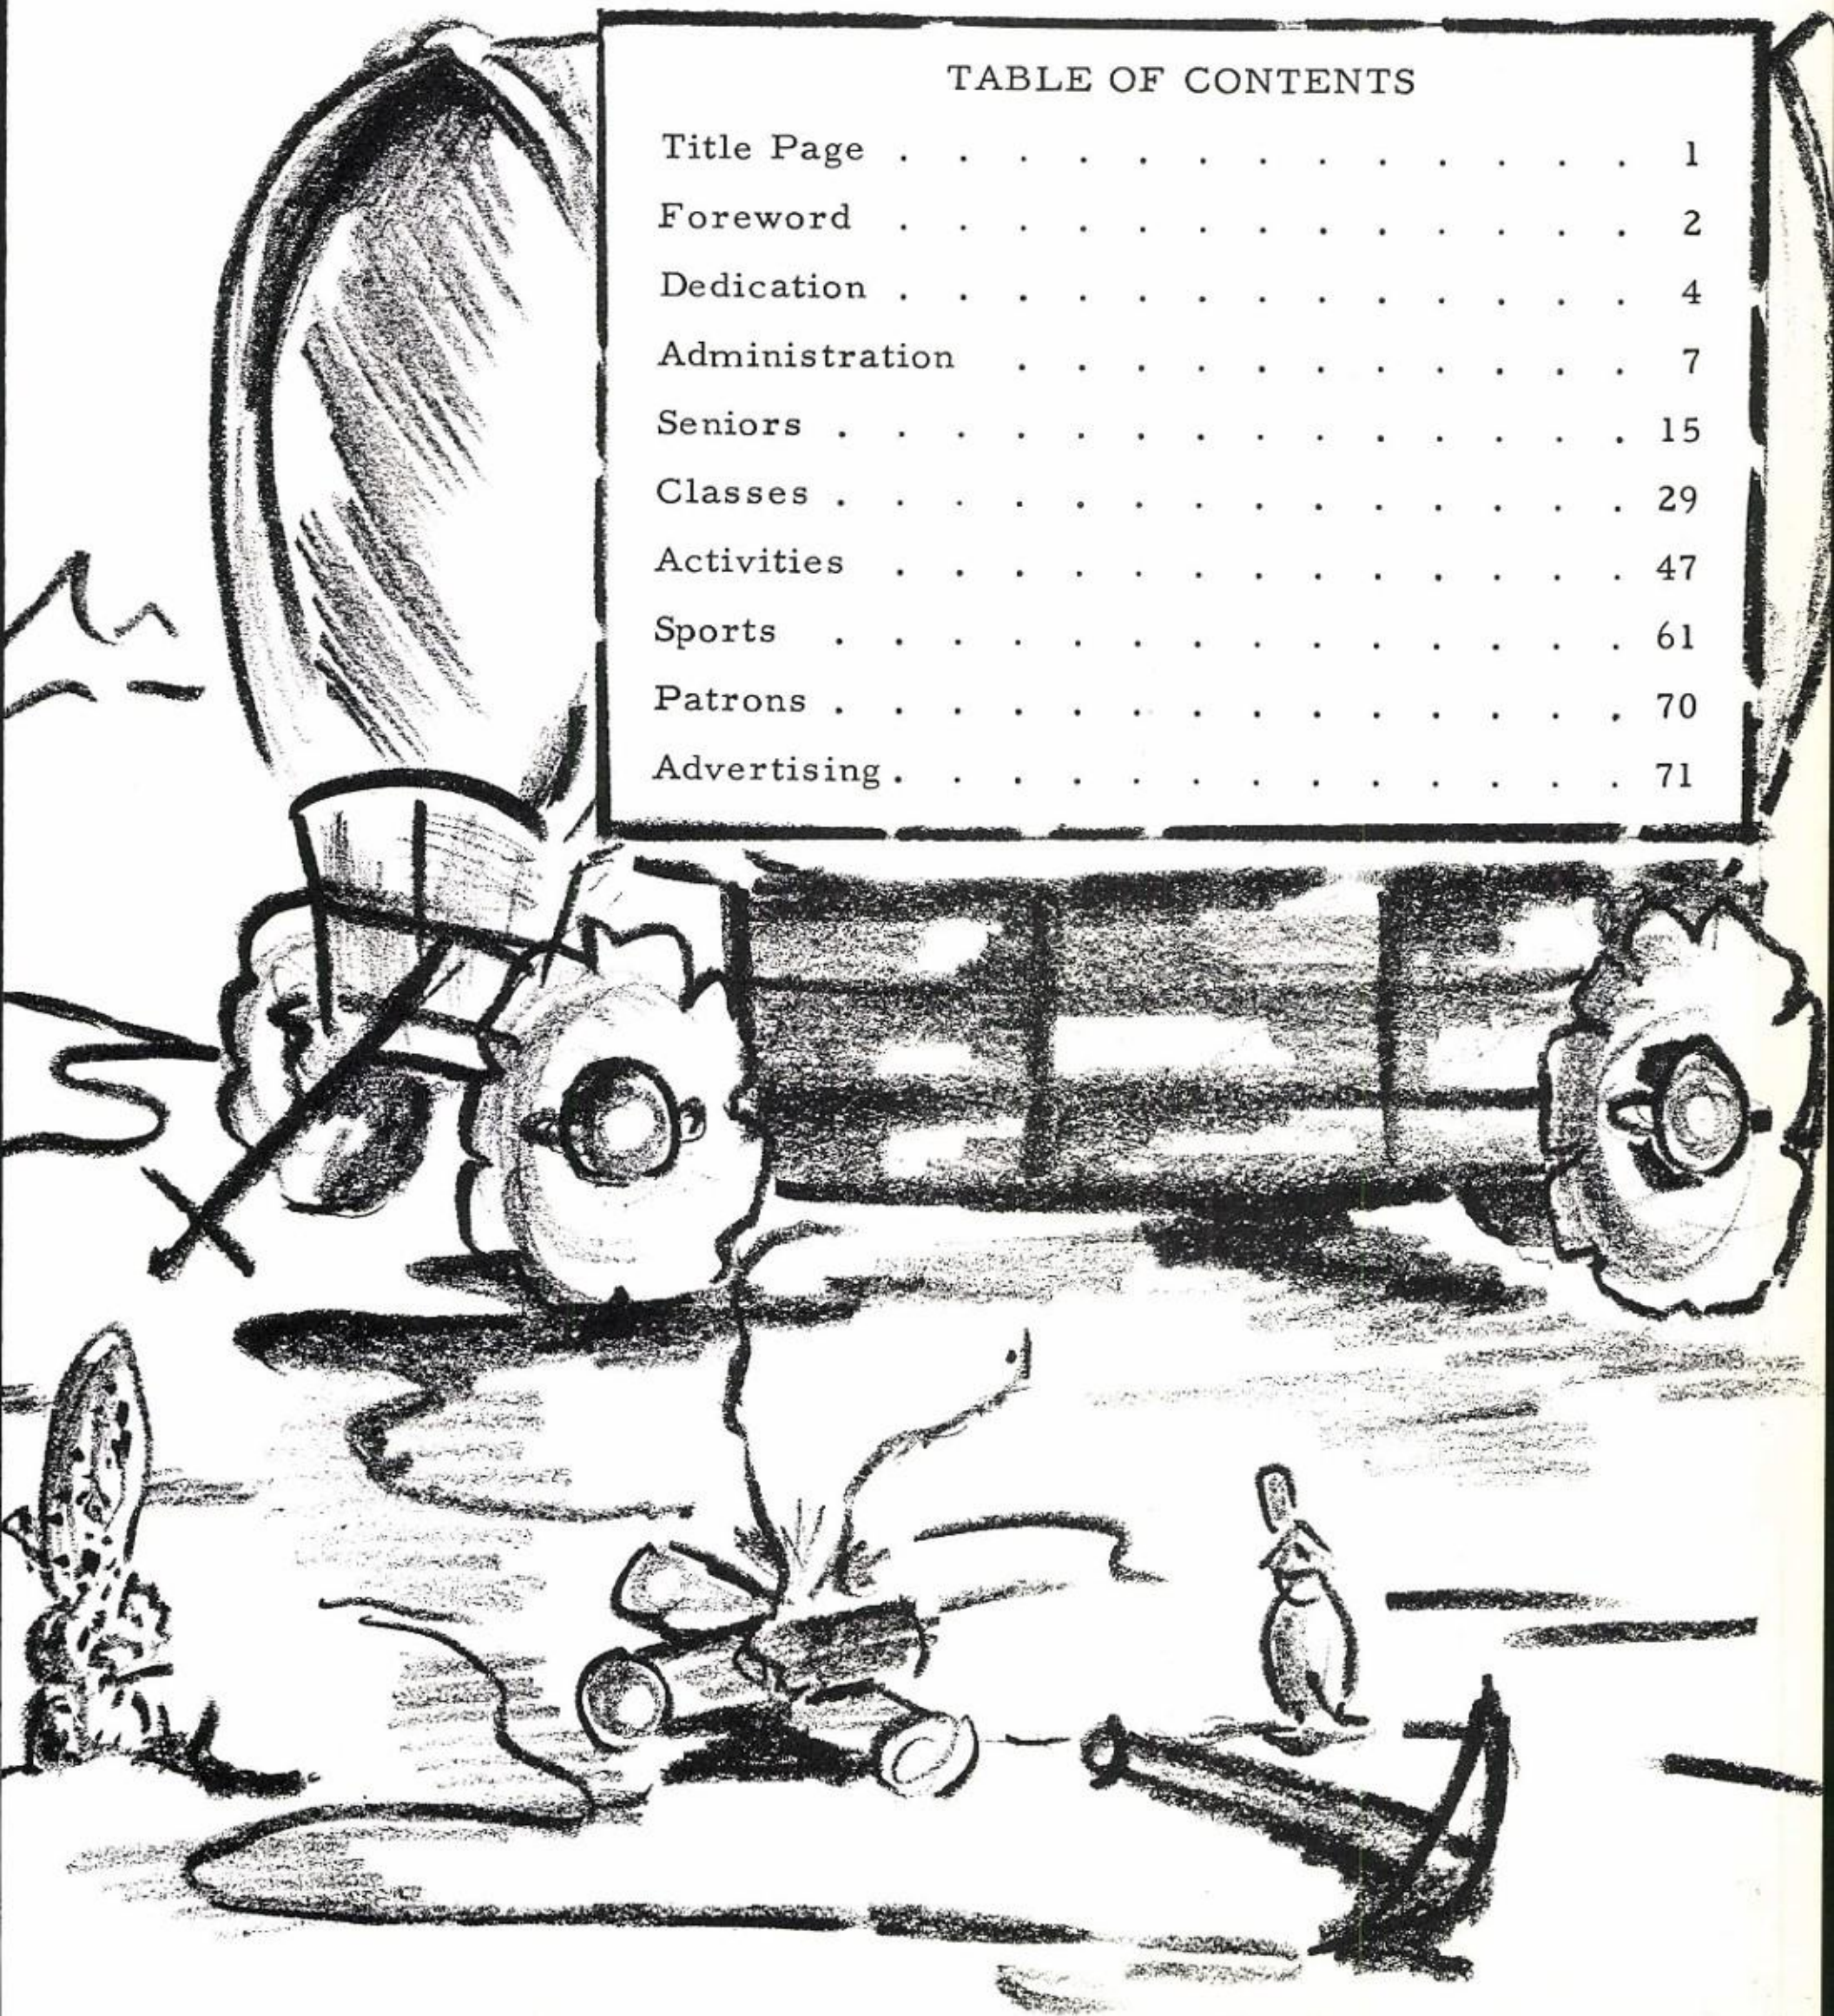

We, the class of 1955 are proud to present this yearbook. Our theme is the development of highways, from the old Indian trails to the modern road such as the Thruway. Our trip through high school has been a long, winding, road filled with surprises and enjoyments, and as we approach the summit of the road we present this yearbook to you, hoping it will provide an accurate record of the fun we've had together throughout our school career.

DEDICATION

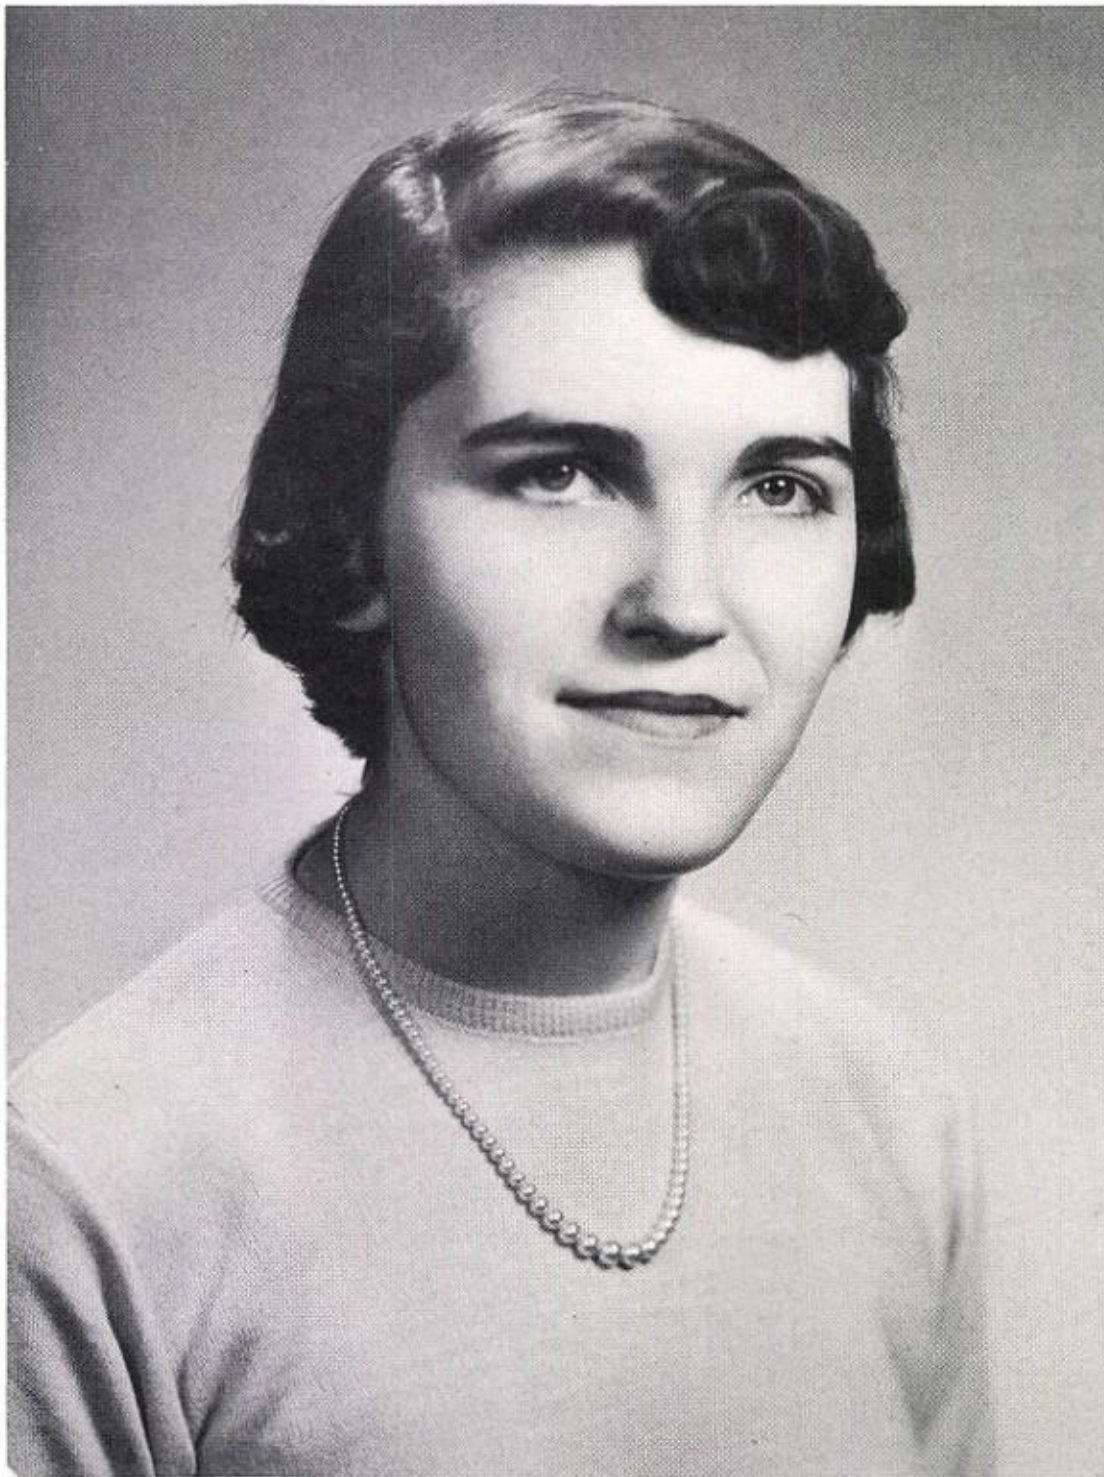

In the classes that you teach,
Many times you give a speech
About the things we must know,
And the goals we hope to reach.

In the spring you helped with baseball,
There was bowling in the fall;
And a smile you always have
When we meet you in the hall.

Your viewpoint is ever strong and true,
So we dedicate this book to you--
Mr. Henehan

EDITOR

The Bagel Staff and the Class of 1955 Sincerely hope that this year-book will be an accurate memento of this year's events. Today it is full of meaning, and in the future it should prove as enjoyable.

IN MEMORIAM

MR. ROBERTS

*"Thy will be done" and we are left
To grieve, to wonder,
To question, to ponder;
And to resolve this day, for their sake
To do in every way
More of the things which make
This world a better place to live.
For they are gone and we are left.*

ALTON B. CORBIT, SUPERVISING PRINCIPAL

Victor, New York

January 11, 1955

Dear Students:

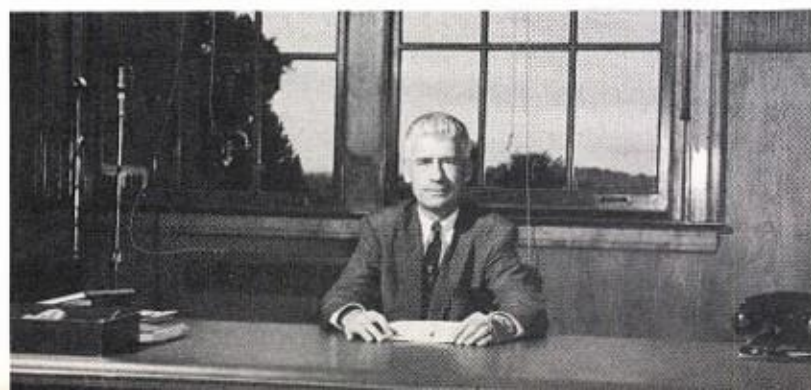

People in Victor will remember for a long time the occasion on which Governor Thomas E. Dewey visited our community just a few short years ago, and broke ground for the Throughway which now spreads itself across the breadth of our great State of New York. This tremendous undertaking is a far cry from the early 1800's when highways in our immediate area were, for the most part, barely discernible trails through the forests.

We realize now that the Throughway is but a fore-runner to a vast network of such roads which will, of necessity, span our country in the years ahead. It is acute evidence of GROWTH and PROGRESS, hard to see sometimes because we live so close to it.

How does one relate education to a theme of highways, you ask? Are you making a timid trail of your life? Are you distracted into going up blind alleys that lead nowhere? - OR - Are you building carefully the foundation for a six lane educational highway that will take care of 20th. century traffic?

Here are some suggestions that may help you improve your personal highway construction job now:

1. Do today's school work today, one step at a time.
2. Strive for a 100% school attendance record.
3. Participate actively in at least one school activity.
4. Take an active part in class discussions.
5. Be cheerfully cooperative at home, at school, and at play.
6. Develop your self-respect by having respect for your God, your family, and your friends.

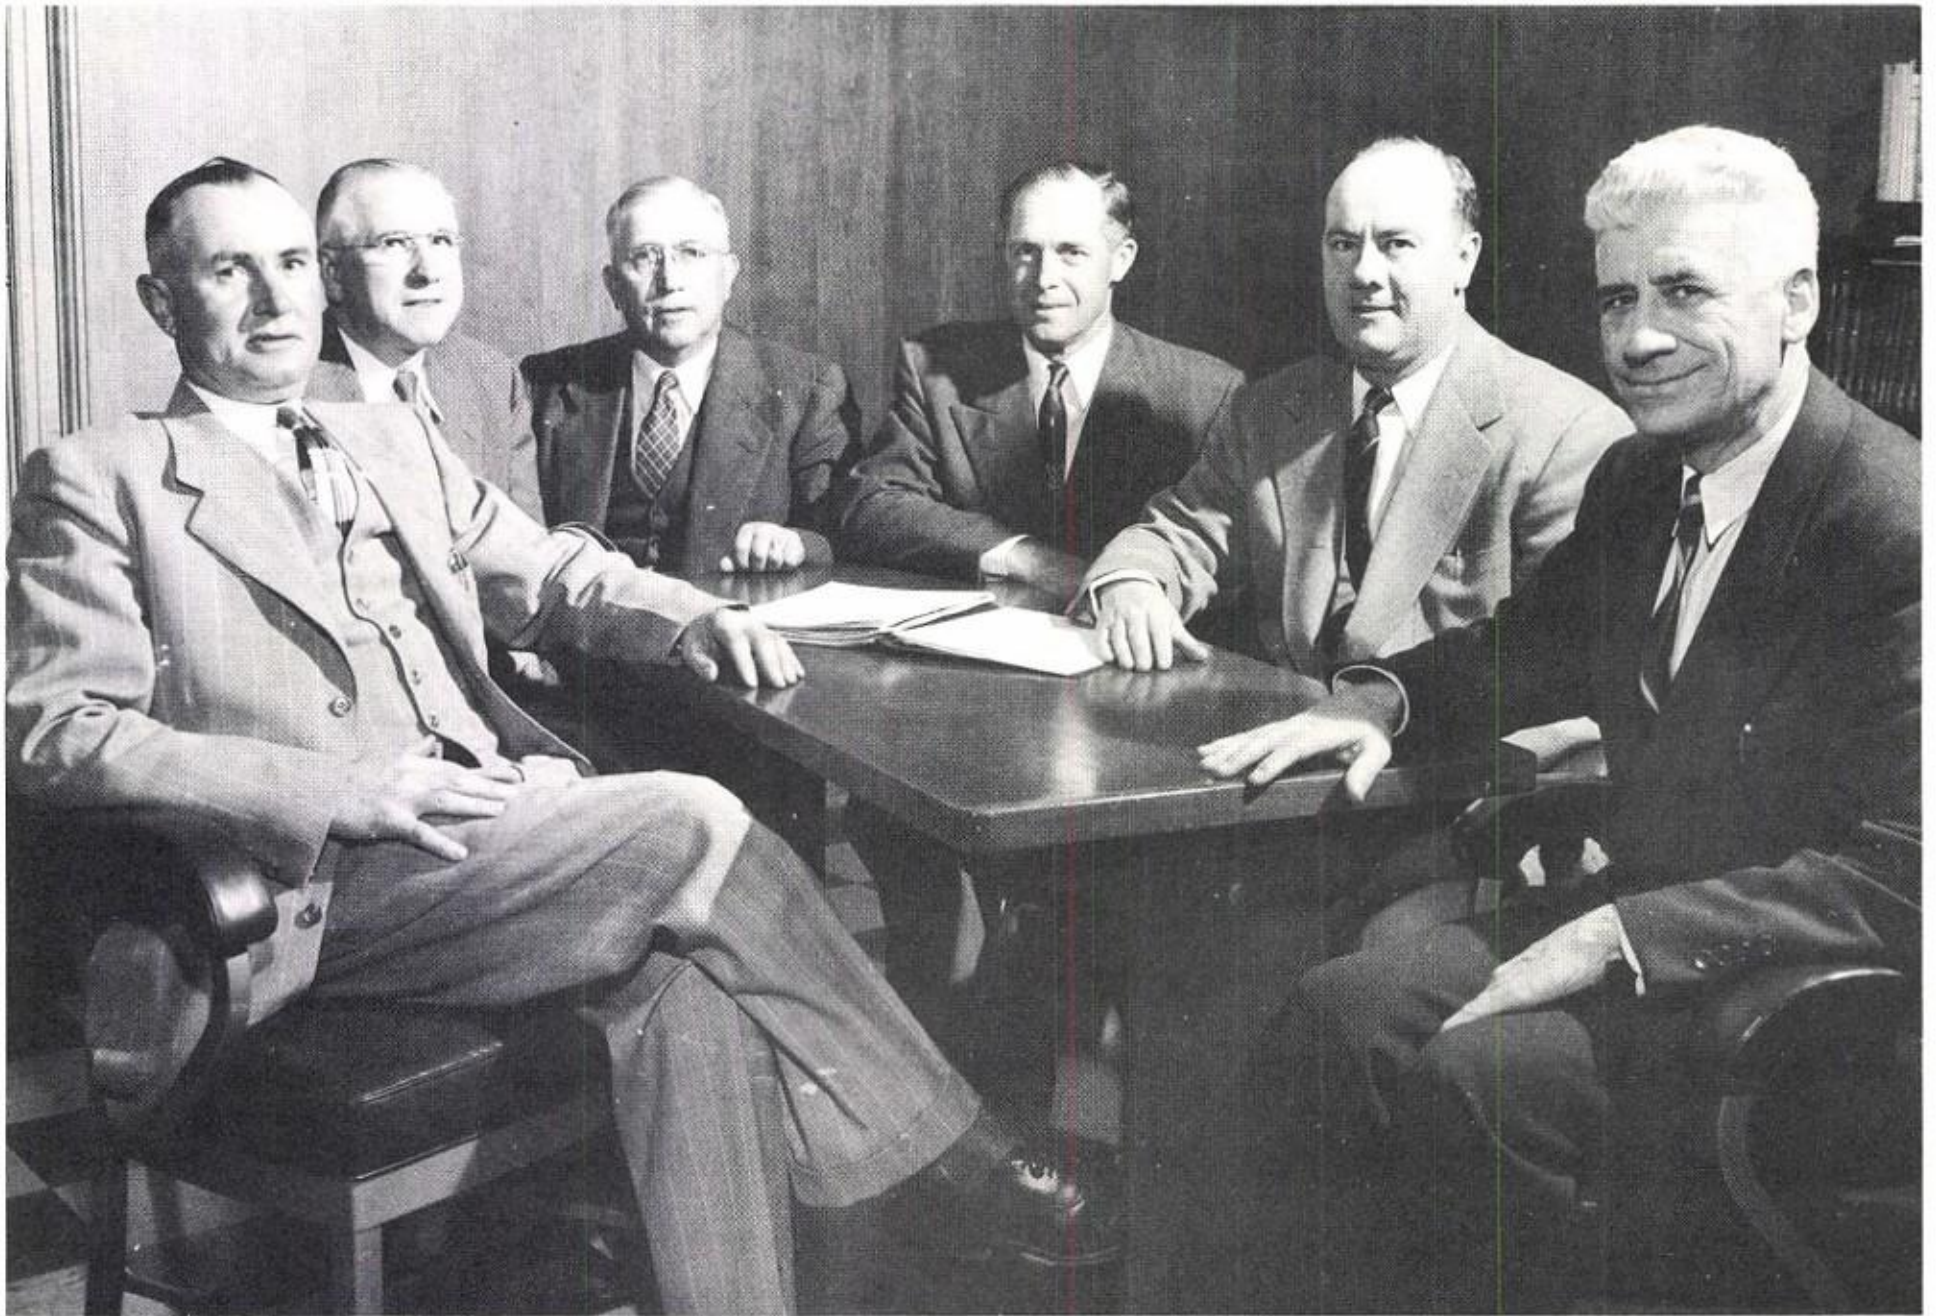

Sincerely yours,

Alton B. Corbit

BOARD OF EDUCATION

Mr. Hawkins, Mr. Barry, President Ogden Miller, Mr. Bowerman, Mr. O'Brien, Principal Mr. Corbit.

Very few of us realize the time and effort given by the men on our Board of Education. They are the deciding factors in most of the issues concerning our school and upon them rests a great responsibility.

We especially want to recognize and express our appreciation for the work that the Board of Education has done on the new school building. We know that they have given many hours and a great deal of thought to this project.

We wish to express our sincere thanks to the members of the Board of Education, for the many things they have done for the educational interests of the students of Victor Central School.

SENIOR PLAY

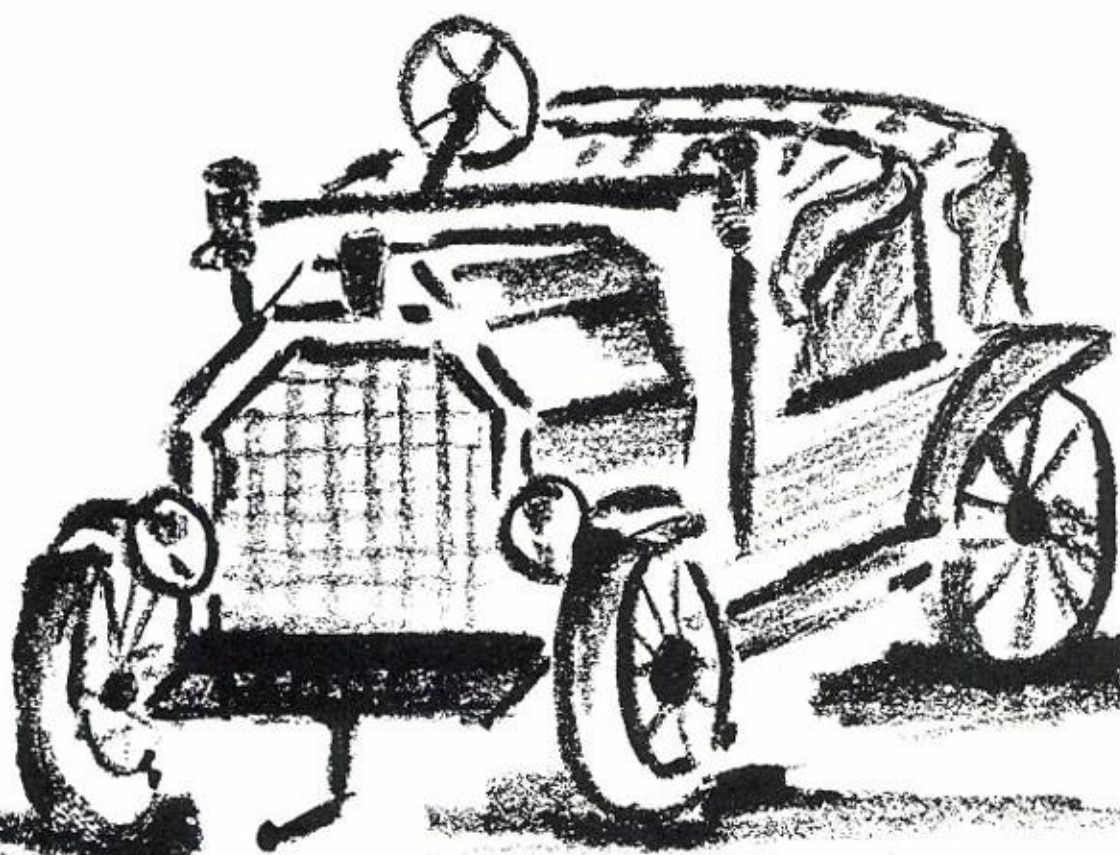

When the curtains swept apart for the annual Senior Play, a barren hillbilly home came into view, and with it some real hillbilly characters. Paw Belsnickle had six unmarried daughters, and among them was Celie, about the homliest and dirtiest girl in the hills. When strangers came to the hills many awkward situations arose and to climax the play we had a feud and rattlesnakes. Everyone enjoyed putting on the play, and we think it was a big success.

The Hilltopics staff has been under constant change all year. Under the guidance of Mrs. Francello, we started the year by changing the appearance of the paper and by publishing it more frequently. Our editor and assistant editor, Rose Militello and Mary McGarry respectively, experimented in the elimination and addition of several features in hopes of arousing new interest for increased circulation.

Mrs. Francello and four staff members attended the Empire State Scholastic Press Association Conference in Syracuse where a cover for Hilltopics by Judy Hanlon received honorable mention. With all we learned at this conference and from our experimentation this year, we know that we will be very successful in future years.

STUDENT COUNCIL

The Victor Student Council had a very successful year. As the governing student organization of our school they promoted week-end activities, such as movies and skating parties, as well as in-school activities. Interclass basketball and volley-ball tournaments were held, and next year's assemblies were chosen. The award system, under which we accumulate points toward our school letter, was changed by Student Council, and a Student Day was held in the spring. The school profited very much from such an efficient Student Council.

NATIONAL HONOR SOCIETY

The National Honor Society exists as an aim for all students. The purposes are: create enthusiasm for scholarship, stimulate desire to render service, promote worthy leadership and encourage development of character. Members must maintain an average of 85% to remain in the club. Only 20% of the Seniors, 15% of the Juniors and 10% of the Sophomores may belong.

Our advisor is Mrs. Francello.

FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers of America is an organization of high school girls who are interested in homemaking and in bettering home and community life.

As in past years, the biggest project was working on the school fair. The annual Mother and Daughter Banquet was held in May. The club has engaged in many new projects this year under the leadership of Miss Perry.

FUTURE FARMERS OF AMERICA

The Future Farmers of America, an Organization of agriculture majors, is very active. All members enjoyed the trip to the State Fair in Syracuse in September. We also participated in the Ontario County Fair and several judging contests. The main project of the year was to co-sponsor the annual school fair.

The band, which is composed of about 60 members, had a very successful year under the direction of Mr. Richard Sitts. Members attended the music festival which was held here at Victor and the All-State contests at Waterloo and Rochester.

Other activities for the year included a P.T.A. Program, the Halloween Parade, and of course the excellent Christmas and Spring Concerts.

The officers of the year were as follows:

President - Jean Popenhusen
 Vice-President - Carolyn Ernst
 Secretary - Arlene Phillips
 Treasurer - Elsworth Morack

The orchestra started off slowly this year because we had a great need for violinists. As soon as we received our new musicians, we began rehearsals which became increasingly better through the year under the fine direction of Mr. Sitts. We were able to conclude the year of uphill work with our traditional music at Baccalaureate and Commencement.

VARSITY BASKETBALL

ROW ONE: R. Hess, W. Brake, B. Cody, Managers. ROW TWO: Mr. Lynaugh, D. McKeag, B. Rugenstein, D. Rector, B. Clark, C. Herendeen, C. Militello, F. Underhill, P. Mortenson, K. Winkler, B. Anderson.

After winning the Class B. Championship Section V title for the year 1953-54, Victor had but one returning regular from the previous year, David McKeag at Center.

Although they lost four of last year's starting five, the Blue Devils won games with their superior ability, fighting spirit, and Coach Lynaugh's excellent guidance. Making up the starting five for the '54-55 season were: Co-captains, Dave Rector and Francis Underhill in the two forward spots, and Buddy Militello in one guard spot. The other guard position was a wide open race between Ken Winkler and Paul Mortenson.

Coach Lynaugh had excellent bench power behind the starting line-up with Bob Anderson, Charles Herendeen, Bill Rugenstein, and Bernard Clark.

J.V. BASKETBALL

ROW ONE: E. Brooks, R. Brooks, P. Keefe, J. Swartzenberg. ROW TWO: H. Peglow, H. Hess, H. Maltman, G. Cody, P. Bowerman, C. Herendeen, R. Hall, D. Bauer, L. Leavitt, R. Newton, Mr. King.

The Victor Central Junior Varsity showed much promise this year. The team was coached by Mr. Ralph King. The spirits were very high as the boys came up from their pep talk yelling "Come on-let's go."

The ability and good practice of sportsmanship should be good experience for these boys when they head the list as Victor's Varsity next year.

FOOTBALL

ROW ONE: B. Bennett, A. Mechi, M. VanOrman, R. Brady, J. Ryan, P. Brownell, M. Tourje. ROW TWO: Mr. Lynaugh, Mr. Palumbo. ROW THREE: P. Mortenson, K. Winkler, N. Hill, L. Leavitt, D. McKeag, B. Smith, B. O'Dea, H. Hess, B. Anderson. ROW FOUR: L. Sleight, M. Lucey, J. Cody, R. Mincer, J. Walker, E. Morack, R. Barry, K. Ruppertsburger, G. Cody, B. Hall, A. Boughton, D. Swan, H. Peglow.

In football this year Victor has done exceptionally well. We had a very successful season even though we lost five players. We had to build a new team with only veteran Roger Brady returning. The team's successful year was due largely to the expert coaching of Carl Palumbo. The tiring hours of afternoon practice "paid off" throughout the season. We won five games but lost one to Phelps. This was our first loss in fourteen games. Our team showed excellent spirit and cooperation.

Ken Winkler and Jim Ryan were chosen for the All Scholastic Team of our league.

BASEBALL

ROW ONE: R. Newton, J. Gullace, A. Boughton, H. Hess, R. Power, N. Smith, K. Winkler, J. Cotter, Mr. Henahan. ROW TWO: F. Underhill, V. Underhill, M. VanOrman, L. Leavitt, R. Brady, D. Rector, D. Pegelow, D. Pegelow, D. McKeag, R. Tay.

Although they didn't win the championship, Coach Henehan considered last year's team one of the best Victor has had. Except for a few bad breaks they might well have come through with the championship. The season ended with six wins and two losses.

Darv Pegelow and Dave Rector pitched, allowing no hits and no runs during one game. The other members of the team were: Don Pegelow, catcher; Darv Pegelow or Dave Rector at first base; John Gullace at second base; Jim Cotter, a co-captain, at third base; Ken Winkler as shortstop; Francis Underhill in right field; Myron Van Orman in left field; and Vernon Underhill, a co-captain, in center field. Other teamsters who saw play were: Larry Leavitt, Roger Brady, Harold Hess, Newt Smith, Dave McKeag, Alan Boughton, and Roger Power.

Although there will be many vacancies to be filled, the team hopes to come through with victory once more.

BOWLING

ROW ONE: M. Lucey. ROW TWO: R. Power, R. Schraeder. ROW THREE: N. Smith, Mr. Henehan, E. Peglow.

TRACK

ROW ONE: L. Sleight, R. Suhr, R. Power, P. Bowerman, M. Geer, Mr. Lynaugh. ROW TWO: A. Berndt, E. Matthews, R. Ott, V. Underhill, C. Herendeen, B. Jaeger, N. Hill, M. Van-Orman, N. Smith.

The girl's intramural program, held every Wednesday afternoon, has been under the direction of Mrs. Popenhusen. The games vary with the seasons of the year. The principal sport played during the winter was basketball. Other games included volley-ball, soccer, baseball and floatball.

The competition in these sports might have been between classes or teams. Some of the winning participants attended play days at other schools or at home.
